

## FREE SELF-GUIDED CITY GAME

# Ghosts & Dragons Quest

SECRET ZAGREB

## How to play?

Explore on your own or with your friends.

Duration: **cca 1,00 h**

Starting spot: **in front of the Stone Gate** (exact address: Trg braće Hrvatskoga zmaja)

**INTRO:** This free quest is inspired by our Ghosts and Dragons Tour. Take this quest and explore some of the most mysterious spots of the old town. Finish it by finding your way to the Black Queen's forest.

**HOW TO PLAY?** Go to the Stone Gate and follow the instructions and riddles. It should take you up to 1 hour to finish. Along your way, you should collect four symbols that will give you a code. It's more fun to play in small teams.

**YOU GOT STUCK?** Think harder, pay attention to the illustration. This quest is a bit challenging, don't be disappointed if you can't solve it. You could join our Ghosts and Dragons Tour – it covers most of the locations.

**IMPORTANT INFO:** There are some uneven roads and some hilly paths that might be slippery, especially during or after rain. Please, wear good walking shoes and play during the day. You're using this game at your own risk and we can not be held responsible in case of any accidents or unfortunate occurrences that might take place during this game. If you don't want to go down the path of the last riddle, send us the photo of the location no. 5 without fully revealing it so others can have fun, too.

### YOU MADE IT TO THE BLACK QUEEN'S FOREST?

Take a photo of the last location (the forest trail) and post it on Facebook or Instagram using the hashtag #SecretZagrebQuests. Follow and tag Secret Zagreb.

**Message us the code privately.**

**Please, don't post the solutions publicly** – that could interfere with the experience of future players. **Only one try per account!**

3 How many human figures can you see?  
Is one of them a warrior king?  
Let's not count him in.

4 Whatever you do,  
Don't turn your back anymore –  
It's bad luck. Instead, up the street  
To location no. 4 you go.

4 Enter the graveyard gate if you dare.  
Even if you don't go past the church,  
This riddle is fair:  
MDCCCXXX  II

5 Up the street continue again.  
Find a building with two words  
That form its strange name.  
One of the words has seven letters  
yet only three.  
Once you've found it, search for a  
narrow path on the same side of  
the street.  
Go down the winding path and  
reach its end,  
Quickly take a photo and make  
sure to go left, my friend.  
You're in the Black Queen's forest.  
It's empty and eerie,  
But don't turn from the trail.  
The left turn will take you back to the  
busy streets of Zagreb safe and well.

This is as close as you'll get to the secrets  
of the old town right now,  
But this isn't for good.  
This game might be over –

2 A face is staring at the church  
Can you spot him or not?  
He's sure seen a lot of couples  
tie a knot.  
There's a year under his name,      
The numbers you just wrote,  
Use them following this note: 3.-4.+2.-1.=?

3 Time to go: ask around, find the  
Opatička Street,  
Up the street you go, under the  
painted windows, keep moving on.  
Eventually, you'll spot the 3rd  
location.

1 The souls of the old town  
welcome you,  
So why don't you simply go  
through?  
Wonder what's the street  
number of the Stone Gate?  
It is 3. Wait, it's 2  5!  
Make sure you find it,  
we will wait.

2 Oh, you want to know where to go?  
Look all around the Stone Gate,  
Spot a lady with her treasure box.  
Turn your back to her wall  
And go straight ahead to the 2nd  
location –  
Now, that's an easy goal.
